

Horticulturist

Grade: 8

Reports to: Curator
Job Status: Full-time
Department: Husbandry

JOB SUMMARY:

Develops, implements and manages the South Carolina Aquarium's horticultural projects including internal exhibits, external exhibits, off-site nursery and other plant displays.

ESSENTIAL FUNCTIONS:

- Adheres to South Carolina Aquarium policies and procedures.
- Assists Curator to develop horticulture program for the South Carolina Aquarium.
- Oversees the daily care and aesthetics of all plant displays including all aspects of plant culture, rotation of plant material, management of animal interaction with plant material, etc.
- Participates in research, design, modification and development of new exhibits/systems at the SCA and nursery.
- Establishes and cultivates relationships with local and regional plant resources.
- Acquires and/or propagates all Aquarium plant material.
- Manages off-site nursery facilities.
- Develops and maintains off exhibit plant propagation and holding area (nursery) through normal nursery practices.
- Trains and supervises horticulture volunteers at the Aquarium and nursery.
- Maintains accurate records and reports.
- Develops, executes and provides knowledge and expertise for field projects involving the use of existing or installed native plant material for habitat reclamation and enhancement.
- Liaisons with the City of Charleston for horticultural activities on National Park Service property adjacent to the Aquarium.
- Assists with special projects as requested by the Curator.

OTHER DUTIES & RESPONSIBILITIES:

- Supports the mission by participating in Aquarium sponsored programs and events on a regular basis.
- Maintains inventory of supplies and equipment used in horticultural operations.
- Cross-trains in other areas of husbandry.
- Responds to visitor and telephone inquiries.
- Keeps abreast with current related literature.
- Attends and makes presentations to professional conferences and meetings.
- Participates in cross-functional activities like conducting tours, educational programs, member programs, committees, etc.
- Liaisons with the owners of Wando Farms (nursery location).

KNOWLEDGE, SKILLS & ABILITIES:

- Strong knowledge of the practices and principles of horticulture in a botanical garden setting and in botanical/zoological mixed species exhibits.
- Knowledge of the flora and fauna of the Southeastern U.S., especially as it pertains to South Carolina native plant communities.
- Skilled in all aspects of plant culture including watering, fertilization, pruning, pest management, plant propagation, etc.
- Good organizational, communication and interpersonal skills.
- Knowledge of organic/natural pesticide and fungicide control

EDUCATION & EXPERIENCE REQUIRED:

- Bachelor's degree in Horticulture, Botany or related field, or the equivalent to a degree in experience.
- Minimum of three years experience in a related field.

LISCENCED & CERTIFICATIONS REQUIRED:

- Valid Drivers License.

SUPERVISION OF OTHERS:

- Horticulture and other Husbandry volunteers.
- Interns.
