

Yummy Treats!

Albino Alligator Poop

Ingredients:

- 1 - 18oz. Package of Oreo Cookies (YUM!)
- 1 - 8oz. Brick of cream cheese
- 1 - 12oz. Bag of white chocolate chips

Directions:

Crush the Oreos, then mix them with the cream cheese. Roll mixture into small balls, then place them on a cookie sheet and refrigerate or freeze them until firm. Melt the white chocolate (slowly to avoid burning), and using toothpicks or a fork, dip the balls into the chocolate coating them completely. Place the ball back on the cookie sheet (line with wax paper for easier clean-up), and refrigerate or freeze again until the chocolate hardens. ENJOY!

For some extra fun, try topping with some sprinkles or coconut before the chocolate hardens.

Albino Alligator Tails

Ingredients:

- 1 - 8oz. Package of refrigerated quick crescent dinner rolls
- 24 - Hershey's Kisses
- Powdered sugar

Directions:

Heat oven to 375°F. Prepare the ingredients by removing the wrappers from the Kisses and separating the dough into 8 triangles. Place 2 Kisses at the center of the wide end of each dough triangle, and another chocolate on top of the other two pieces. Starting at the wide end, roll the dough triangle to the opposite point and pinch the edges to seal in the chocolate. Place rolls, pointed side down, on an ungreased cookie sheet. Curve into the crescent shape. Bake for 10 minutes until lightly browned. Cool slightly, sift with powdered sugar, and serve warm! YUMMY!

No gators were harmed in the making (or eating) of these tasty tails!
